RETIRING POLICE CHIEF WINFRED J. KNOWLES

To commemorate many years of faithful and dedicated service to our town, the 1968 Handbook is dedicated to retiring Police Chief Winfred J. Knowles, affectionately known as "Winnie". He was appointed as a police officer in 1941. He became Deputy Police Chief in 1948 and in 1953 was named Chief of Police. He served in that capacity until his retirement on April 1 of this year.

Winnie's job started as a one man operation, working endless hours, out of a small basement room. Through tireless effort, he retires leaving a well manned, well trained, efficient operation working from a modern well equipped police station.

Winnie has served the town in many capacities for many years. He was first elected Moderator in 1934 and again from 1948 to 1954. He served on numerous town committees and has always been active in local organizations.

Our wish is that Winnie will enjoy many years of retirement and relaxation.

Welcome to Eastham

... Where Natural Beauty Stays on Cape Cod

IT'S your vacation, so why not enjoy it? In Eastham, you are in a position to take full advantage of a real old fashioned New England vacation. Some of the most superb vacation coastline with its many beaches and facilities on the whole Atlantic seaboard are at your command.

Eastham's little side roads give you the beauty of wild roses, pine woods and sparkling fresh water ponds. Add to these the modern roads criss-crossing through the town as though to intertwine the natural beauty with a convenience and almost tangible sense of welcome and you will realize Eastham can't be beat for joyous, comfortable living, whether for a week, a month or your lifetime.

Not only will you enjoy the summer months but more and more we find our guests enjoy attending an old fashioned New England Town meeting in the early Spring. And who could ask for anything better than a traditional Thanksgiving centered among the Historical surroundings of its origin.

Eastham, is a year round vacation land . . . Why not take advantage of it? ? ?

From all your friends, the townspeople of Eastham

One of Eastham's favorite historical buildings is this ancient windmill. Built sometime before 1700 in Plymouth and fastened together with wooden pegs, this stout-timbered mill, the oldest workable on Cape Cod, still can grind corn. Now plainly visible from the highway, it is located almost opposite Town Hall in a park cleared of other buildings by a recent town improvement project. The windmill is open to visitors from 10 to 12 and 1 to 5 on weekdays and 1 to 5 on Sundays with the town miller there to explain its history and the milling process of its great millstones.

SEVEN PILGRIMS PLAN EASTHAM

IT was in April 1644, exactly three hundred and twenty-four years ago that seven Pilgrims gathered together to plan the town which is now Eastham. They were Governor Thomas Prentice, John Doane, Nicholas Snow, Josias Cook, Richard Higgins, John Smalley and Edward Bangs. These seven men and their families, comprising forty-nine persons were from the Plymouth Colony.

Their decision to settle here was the result of a survey made by the Plymouth Pilgrims as to the advisability of moving the entire Plymouth Colony to this location in view of the level and quite fertile farmlands. These were bordered by forests which offered protection for the rich top soil. It

was concluded that there was insufficient area for the entire Plymouth Colony so that only seven families moved here to settle.

Located in this area at the time were the Nauset Indians, the most important of the Cape Cod tribes, led by Chief Sachem Aspinet. Their cornfields spread over the fertile Nauset Plains and the whole section was referred to by the Pilgrims as "The Kingdom of Nauset."

Two years later, in 1646, Nauset was incorporated and on June 7, 1651, the name was changed to Eastham. At this time Eastham included the areas covered by the present towns of Wellfleet, Orleans, Brewster and most of Chatham and Harwich.

For Fishing At Its Best, Fish In Eastham

During the summer the striped bass is king of salt water game fish in Cape Cod waters and Eastham's striper fishing is hard to beat. Surf casting all along the tides at Nauset Beach lures the experienced and the novice to try for the "big ones." And charter sport fishing boats, many skippered by Eastham men, will take you from Rock Harbor in quest of stripers offshore in the Bay.

Bluefish entice the angler too and are caught in both surf and bay in season. Flounder, tautog and a number of other good eating bottom fish make most any fishing trip from Eastham's shores something to recall happily.

Surfcasting from Eastham's broad beaches is a sport equally thrilling to expert or novice.

Eastham's Town Cove is an excellent spot for flounder and plaice fish and trolling for striped bass here offers additional thrills. There are several boat liveryes on the Cove shore so fishing can be fun for all the family.

Eastham Non-Resident Taxpayers Association

The Eastham Non-Resident Taxpayers Association is the organization which provides for its members the opportunity to meet with the Selectmen at its June and August meetings each year, to learn from them at first hand what has been accomplished in the Town and what planning is indicated for the future. It is an effective means also by which the Selectmen can be apprised of matters of particular interest to non-residents, in order to assist them in governing the Town.

Over the past years the Association has demonstrated its interest in improving the Town by making contributions such as a resuscitator for use by the Rescue Squad, the fence around Windmill Park, the fence for the Historical Society's schoolhouse, financial assistance for A.I.M. Medical Center, among others.

Membership is open to all non-resident taxpayers, and dues are only \$1.00 per year per family.

Take advantage of this opportunity to be part of the community by becoming a member and attending the meetings scheduled for June 22nd and August 24th, 8 p.m., at the Town Hall.

EASTHAM HISTORICAL SOCIETY, INC.

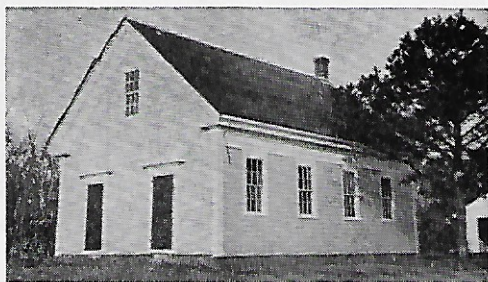

"Preserving the Past for the Future"

The Eastham Historical Society, Inc. was founded in 1963. Membership now numbers 433 members, resident and non-resident. The object of the Society is to create and foster an interest in the Town of Eastham, to promote historical research, to collect and preserve artifacts, photographs, historical documents and to provide for their proper custody.

The above photograph shows the exterior of the restored 1869 one room schoolhouse, now the Schoolhouse Museum, located opposite the Visitors Center in the Cape Cod National Seashore.

The 1968 Museum season will open Saturday afternoon, June 29th, from 2 to 5 p.m. During July and August the Museum will be open Monday, Wednesday, and Friday afternoons from 2 to 5 p.m. In September the Museum will be open Saturday afternoons only. The admission charge is 25c per person, pre-school children excepted. Suitable gifts for the Society will be welcomed, and may be left at the Eastham Public Library, or by getting in touch with Frederick H. Jewell, Curator, at Tel. 255-2136, who will gladly arrange to pick them up.

The outhouse at the rear of the Museum has been restored into an agricultural and craft tool exhibit annex, which should not be overlooked.

Apart from the establishment of the Museum and lectures, historical signs have been placed at the Old Cove Burial Ground on Route 6, and where the Society completed its project of placing memorial stones on the unmarked graves of Mayflower passengers Constance Hopkins Snow, Giles Hopkins, and Lieut. Joseph Rogers; the second old cemetery on Bridge Road, both having been sites of the first three Congregational churches; and the First Encounter Site on the Bay side. The Society is sponsoring the Eastham Historical Bikeway around Eastham for bicycle riders, maps are available at the Museum and the American Youth Hostel on Bridge Road. Mayflower trees have been planted at the Museum and the Old Cove Burial Ground. Two historical milestones have been removed to the Schoolhouse grounds. Further projects are to place historical markers on old houses and other historical sites. Other worthy projects will be given consideration.

New Members will be welcome. The membership is \$1.00 per person per year for adults, 50 cents for children. Applications may be sent to Mrs. E. E. Kattwinkel, Secretary, P.O. Box 8, Eastham, Mass. 02642.
